# PROTECT

## Bumpers & Asset Protection

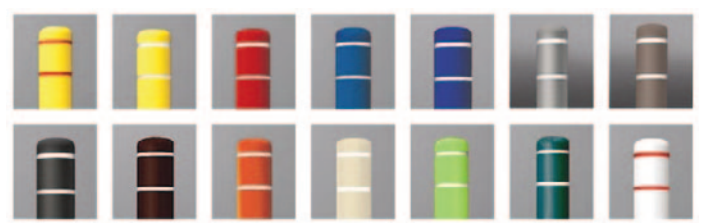

For over 85 years Boston Group has set the standard with its full line of floor and wall mounted bumpers, and crash rails for retailers. With over a decade of being a UL Environment Certified company (the only bumper manufacturer with this certification), we are proud to have placed great emphasis on incorporating recycled material in our product design and manufacture.

# POWER

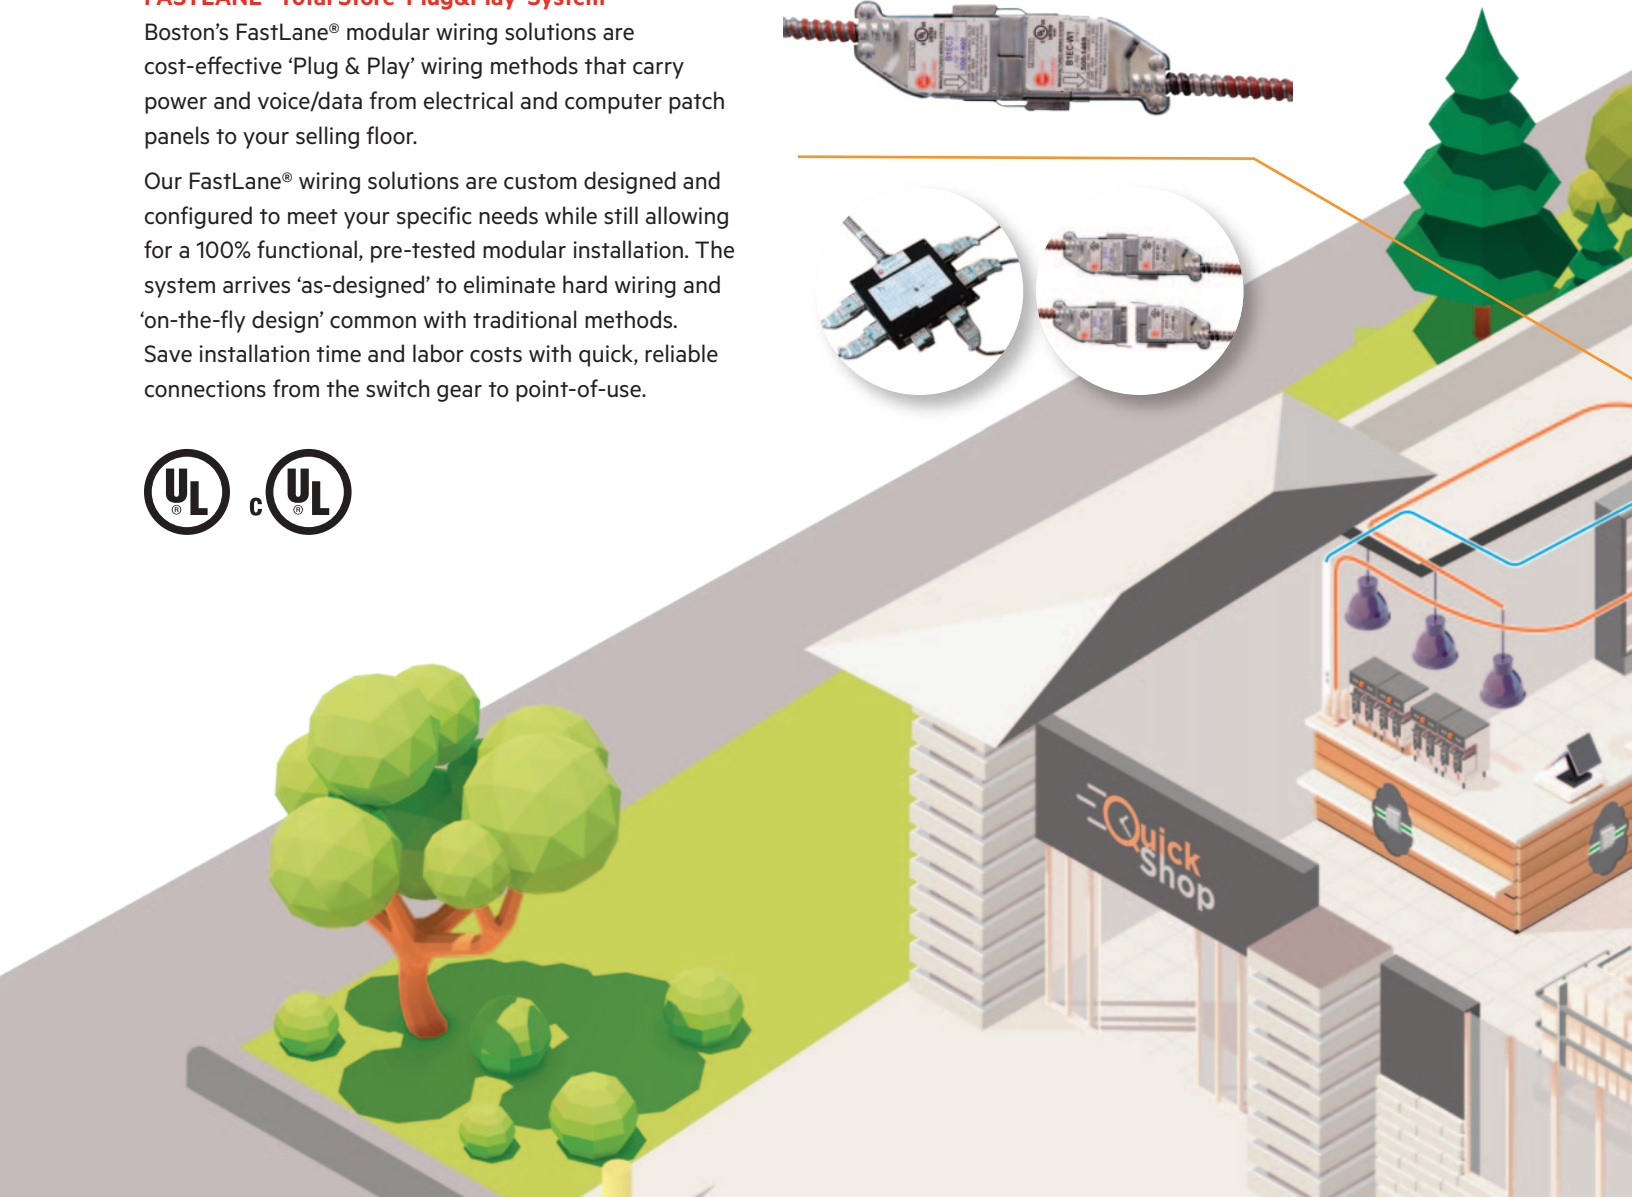

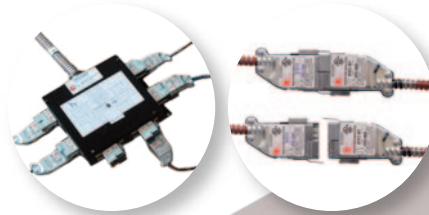

## FASTLANE® Total Store 'Plug&Play' System

Boston's FastLane® modular wiring solutions are cost-effective 'Plug & Play' wiring methods that carry power and voice/data from electrical and computer patch panels to your selling floor.

Our FastLane® wiring solutions are custom designed and configured to meet your specific needs while still allowing for a 100% functional, pre-tested modular installation. The system arrives 'as-designed' to eliminate hard wiring and 'on-the-fly design' common with traditional methods. Save installation time and labor costs with quick, reliable connections from the switch gear to point-of-use.

Power Poles

**Power Poles**

Boston Group offers a wide range of PowerPole product solutions that fulfill any power/voice and data distribution needs with UL compliant, reliable 'plug & play' connectors.

#### Maximize Customer Satisfaction:

Our stylish and functional counters and checkout areas enhance the shopping experience, allowing for a seamless flow of customers. Well-designed fixtures reduce wait times and improve service efficiency, resulting in happier customers and increased loyalty.

#### Enhance Security and Reduce Loss:

Our state-of-the-art asset protection and loss prevention products safeguard your inventory and mitigate theft. By implementing our solutions, convenience stores can significantly reduce shrinkage, leading to improved profit margins and protecting your bottom line.

#### Versatile and Customizable Solutions:

Our fixtures are designed to adapt to the unique layout and branding of your stores. With customizable options, we ensure that your convenience store stands out while effectively utilizing space for optimal product visibility and sales.

#### Durable and Cost-Effective:

Crafted from high-quality materials, our fixtures are built to last. Investing in our durable products means fewer replacements, lower maintenance costs, and greater long-term value for your stores.

#### Compliant and Reliable:

Our solutions meet all industry standards for safety and functionality. By choosing our products, you can trust that you're equipping your stores with reliable solutions that comply with regulations and provide peace of mind.

#### Expert Support and Partnership:

We don't just sell products; we build long-term partnerships. Our team offers expert advice, installation support, and ongoing service to ensure that your stores operate at their highest potential.
