Warehouse Protection

Protecting your warehouse/DC from damage

Bollards

Your facility takes a beating everyday from pallet jacks, fork lifts and cleaning equipment. Keep your equipment, walls and corners looking good by protecting them with the stainless steel Boston Bollard.

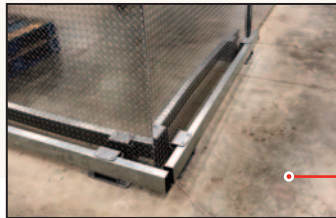

Floor Mounted Corner Guards

Boston manufactures this complete line of 10-gauge, brush-finished stainless steel corner guards that can withstand impact up to 4,000 lbs! For your highest-traffic areas, they'll protect your corners from the daily assault of fork lifts and pallet jacks.

Reflex Bollard

Our super heavy duty flexible bollard that protect capital assets by deflecting and stopping industrial mobile equipment from the damage they potentially cause. Available in 2 sizes. Will deflect and stop loads up to 22,000 lbs. of impact force.

Box Rail

Box Rail 7 and Box Rail 48 provide extreme protection. Our complete range of Box Rail products are made of all steel components that protect against the daily punishment from fork trucks, hand trucks and equipment movers.

PROTECT

Dock Door Protectors

Are fork lifts damaging the loading dock doors? Our dock door protectors safeguard both the door panels when in the down position as well as the door tracks in the up position.

Vinyl Bollard Covers

Made of heavy duty Polyethylene plastic our Bollard covers are available in a variety of sizes.
