

Power Distribution

Flexible, Safe and Certified

The wide range of power distribution components allows you to connect all products from Boston in the easiest and most cost-effective way. All components are certified and can be connected and disconnected even under load and can be configured to meet your specific display needs.

Applying ingenuity around the world.

Boston Group provides total solutions to energize environments, protect assets and support unique shopping or working experience. We listen carefully, look beyond the challenge and come up with smart solutions, exploring new domains every day together with you. From initial concept to full product rollout we expertly guide the process to deliver the right solutions for your needs.
